SUMMARY OF TELEPHONIC INTERVIEW

Pursuant to MPEP § 713.04, Applicants submit this Summary setting forth a statement of the substance of the telephonic interview on April 25, 2006.

Brief Description of the Nature of any Exhibit Shown or any Demonstration Conducted:

No exhibits were shown and no demonstrations were conducted.

Identification of the Claims Discussed:

Independent claims 1, 19, and 38 was discussed.

Identification of Specific Prior Art Discussed:

None.

Serial No. 09/602,044
Filed: 6/23/2000

MFCP.119835

Identification of the Principle Proposed Amendments of a Substantive Nature Discussed:

Applicants' representative and the Examiner discussed potential amendments to independent claims 19 and 38.

The General Thrust of the Principal Arguments of Applicant and the Examiner:

With respect to the 101 rejections of claims 19-39, Applicants' representative discussed possible claim amendments to independent claims 19 and 38 to clearly demonstrate that the claims comprise patentable subject matter. With respect to the 112, first paragraph rejections of claims 1-39, Applicants' representative argued that the claim limitations previously added by amendment have clear support in the specification such that the rejections have no reasonable basis and should be withdrawn.

General Indication Of Any Other Pertinent Matters Discussed:

The Examiner kindly indicated that he would take all arguments into consideration.

Respectfully submitted,

John S. Golian
